Deadline: November 8

In Odyssey of the Mind, students work together in teams of five to seven to:

- ✓ Develop a solution to a complex problem in the form of an 8-minute skit to be presented at tournaments.
- ✓ Practice creative thinking and risk-taking without fear of criticism.
- ✓ Learn new skills and practice others, gaining confidence in their abilities.
- ✓ Do ALL the work themselves, without any outside assistance.
- ✓ Have FUN!!

Teams meet weekly for 1-2 hours until the March tournament date nears.
Days and times depend on availability of coaches. We can not form teams until coaches step forward to lead them.
Costs vary to cover materials and fees ($20-$40).
